THIS YEAR AT EAST LEYDEN

Last minute studies and other classroom activities led up to the spectacular homecoming bonfire which included the hanging in effigy the dummy representing a Maine West football player. These preparations seemed to do the trick, too, for the Eagles went all the way to win the homecoming game with the score of 33 - 0.

TO THE GRADUATES

I am pleased to have this opportunity to express congratulations and best wishes to the Senior Class of 1961. Yours has been a memorable class in the history of East Leyden. Your class, the largest ever to graduate from our school, is the last with representation from all of District 212.

We have appreciated your efforts to make East Leyden one of the best schools in the nation and we were pleased with your desire to improve on traditions. Your friendliness, enthusiasm, and cooperation have shown us that you recognized the need for the coordinated efforts of students, parents, and teachers to provide optimum educational opportunities.

You have grown physically and mentally during the past twelve years. Look for ways to continue educating yourself through the future years. Work diligently, never being satisfied with mediocrity, and I know that we on the faculty will continue to remember with pride the exceptional Senior Class of 1961.

SOPHOMORE ADVISORY COUNCIL

The Sophomore Advisory Council are selected representatives of the Class of '63. They have sponsored a variety of money-making projects this year in order to supplement the class treasury. Mums were sold at Homecoming, balloons and programs at the basketball games. It also organized two all-school dances.

Advisory Council affords its members the opportunity to work for the class while learning leadership qualities.

Step 2 . . . Lift ball up to shoulder.

"But I can't even read."

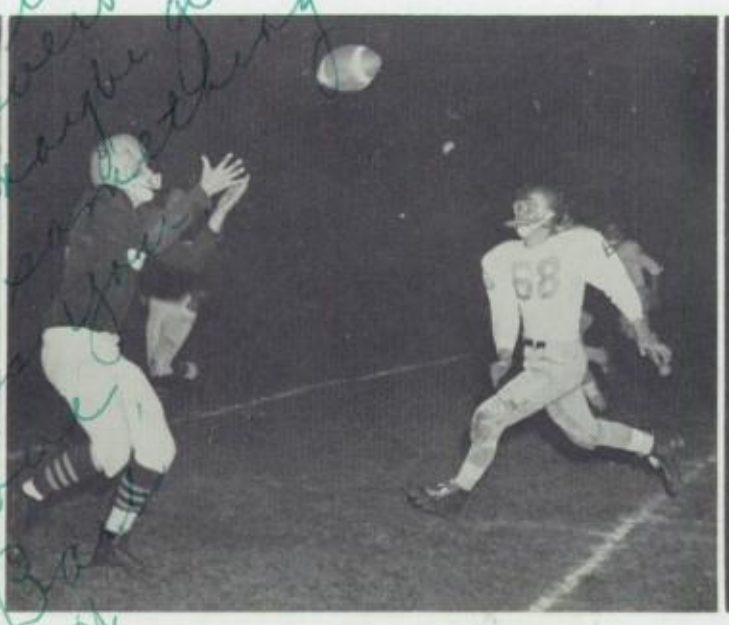
"Hey, you with the head!"

Oh, really?

Three arms are better than two!

"Sure beats selling pencils."

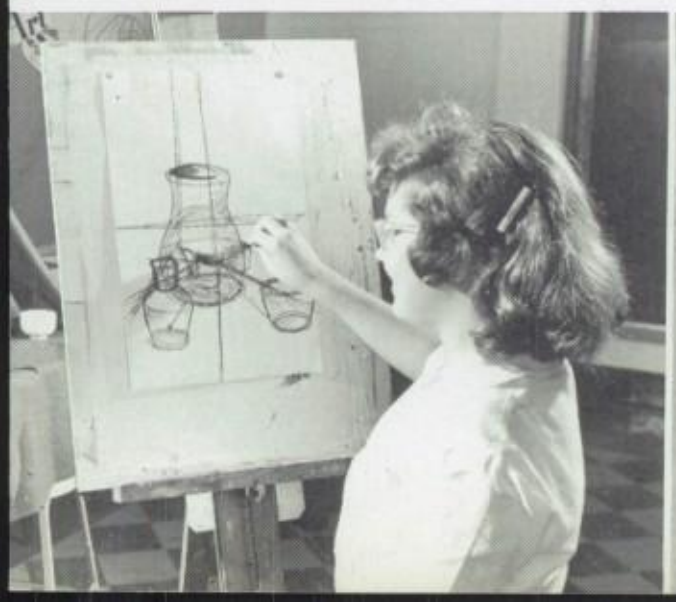
"When I grow up, I'm going to be the president of the senior class."



"Now what?"

". . . and now a word from our sponsor"

Beats coloring on the wall!



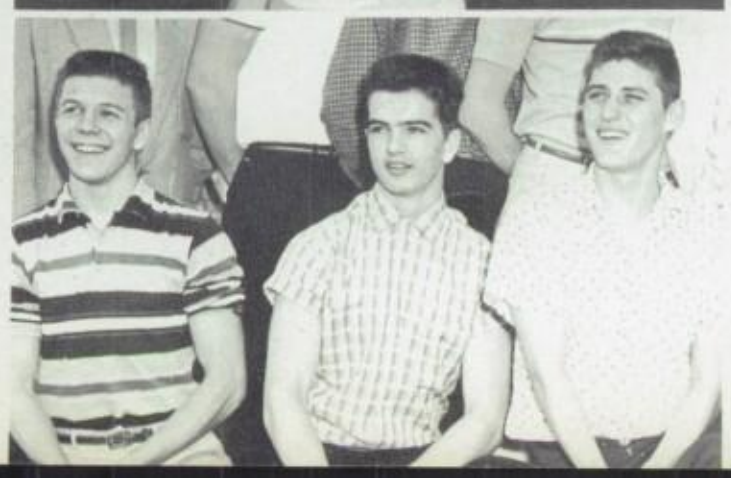
"No, Sandy, No!"

"What do ya' mean you saw them for a nickle?"

ATHLETICS

Dear Dee,
I have known you for only a year and have enjoyed your friendship. I hope we can continue our friendship in the future years. God bless you,
God Bless you,
Sandy
Akerman

Diane,
Good luck
in future years,
to a nice girl
Tom Crowe



Mr. George Bujan

East Leyden's new athletic director is Mr. George Bujan. Although this is a new post for Mr. Bujan, he is not new to East Leyden. In fact, he was head football coach for thirteen years. It is only fitting that a man of such vast and accreditable experience be appointed as athletic director of East Leyden. During his high school football career, Mr. Bujan was named All-State fullback of Illinois. In 1946, he played in the classic College ALL-Star game, and the annual East-West Shrine game.

As the athletic director, Mr. Bujan supervises all sports events concerning East Leyden. This is a very involved and difficult task for any one person, but there is little doubt as to the capabilities of our athletic director, Mr. George Bujan.

Mr. Ronald Roberts

Although this has only been his first year of coaching at East Leyden, Coach Ron Roberts led an almost last place varsity team into the position of third place. But due to the past experience, both as a player and a coach, it is no wonder. Coach Roberts, when in high school, played on the Crane Tech High School team. Upon graduation, he entered the University of Wisconsin where he played on the varsity team at defensive guard. For his three years as a member of the varsity squad, Coach Roberts received two varsity grid letters. Besides participating on the football squad, he was also a member of the boxing and wrestling squads at the U. of W. In addition to Coach Robert's excellent college athletical record, he also was a member of the All-Army Pan-American wrestling team in 1956. It was during this time that East Leyden's coach Ron Roberts reached the quarter-finals of the 1956 Olmpic tryouts in Los Angeles. With a coach such as Mr. Ronald Roberts, there is little reason to doubt that the future football teams of East Leyden will continue to remain at the top.

ULRICH

Dear Diane,
Your a nice & cute girl (with as sweet brother) Stay as sweet as you are.
Love
Susan
Thomas

After I had heard that I would have the chance to come to America as a foreign exchange student living in an American family attending one of your high school's there were, besides the excitement about that good news hundreds of questions, expectations, calculations and even a few doubts. — How would it be? Would I get homesick? Would I be accepted by the American students? Would it be worthwhile to spend a year abroad?

But soon I found out, that I did not have to worry at all. Everything worked out fine, and I did not have time to let my fantasy work. I just was overrun by all the new impressions which I tried to grasp all at once. Now as I will have to leave, things which I first felt were extraordinary are becoming natural and normal. Being a foregn exchange student was for me the most exciting thing so far in my life.

Now I want to thank you, all of you. I will be able to mention only a few names, although I wish I could name every student and teacher who helped making this year so much a success for me. — First of all I want to thank the Brewster family who took all the trouble to have a foreign exchange student in their home. And the best compliment I can make is that I really felt at home while staying with the Brewsters. — Then I want to thank Mr. Byrne, who opened his school to this foreign exchange program, and my thanks to Mr. Kennedy who helped me to solve all my small and big problems during the past year. But equally important is the way the student body accepted me, so that I can leave East Leyden today proud of being one of you. I want to thank all the teachers for their sincere understanding in helping me along to comprehend my subjects despite initial language problems. Also I am very greatful to all sponsors and teachers at East and West Leyden who gave me the chance to speak to their fine groups and classes.

I did not only learn to express myself pretty well in your language but I had the chance to educate myself on many other fields to find out as much as possible about America and the Americans. I want to mention the student council, which made it possible for me to go to Washington during Spring Vacation. Also I want to thank Mrs. de Bruler and the Humanities Seminar, through whose efforts I got to know a lot about cultural life in Chicago. Mr. Swanson and the Concert band helped me so much by arranging private music lessons with Mr. Lyons from West Leyden for me.

I enjoyed very much being a member of many of your clubs as well as participating in school dances, and I enjoyed your friendship and comradeship especially.

I really tried to find out as much as possible about your country and your way of life and was happy on the other side when I could help you in your questions about Germany and the Germans. And at all the occasions I could speak to you here at East and West Leyden in front of groups or from person to person I was rewarded with the attention of a wonderful audience.

I had lots of experiences due to the efforts you made that we could get to know each other and I would like now to thank every one of you and I hope that many of you will some day have the chance to gain all this experience by going abroad too. Maybe, some day I can say "Hello" to some of you, if you happen to come to Berlin.

Auf Wieder Sehen!
